THE SOUTHWESTERN REDUCES RATES

Announcement is made from
the office of V. R. Stiles, general
passenger agent of the El Paso &
Southwestern, that, effective July
1, a reduction of fare will be made
on the western division of the
road, thus equalizing the rate on
that and the eastern division.

The new rate sheets are now
being made out at the general of-
fices for the change, under which
a reduction from five to four
cents a mile is made. This re-
duced rate will be put in force on
the main line and on the Bisbee
branch. Other branches will
maintain the same rate now in
effect.

The change, similar to that made
by the big systems in western
states and territories, is a volun-
tary step taken by the company,
agreement being reached by the
passenger departments of the var-
ious lines.

When the proposed rate is made
effective, the actual charge will be
two cents a mile less than the
maximum which may be legally
enforced by the company.

Though it is expected the change
will naturally work a reduction in
passenger earnings for a time, it
is believed that increased traffic
and the growth of the country will
act as a partial offset. At all
events travelers will secure the
benefit of the reduction.

Some time will likely be requir-
ed before the new rate sheets are
issued, as about 300 miles is cov-
ered in the lines upon which the
reduction is to be made, the rate
extending in the territory from
El Paso to Benson.

HODGES-SCOTT

The Hodges-Scott wedding at
the M. E. Church Wednesday
evening was one of the prettiest
church weddings yet had in this
city. Rev. Harkless, of Santa Rosa,
performed the ceremony with
splendid dignity. The form was
the ring ceremony of the M. E.
Church, than which we have never
seen a more appropriate or more
beautifully worded service. Felix
Mencelsohn's famous wedding
march was played by Mrs. Stan-
ley Lawson, the altar was deco-
rated with cedar festoons and white
roses and the bride and groom
were faultlessly attired. About
seventy-five guests were present,
all of whom were well-wishers for
the lasting happiness of these pop-
